

Migsun vision plan for 2020: To come up with 15k affordable homes in NCR

Leading real estate company Migsun, with about 6,40,692.85 sq.m. of delivered space in both real estate and construction contracting, has come up with a vision plan for 2020 for which the group will be providing 15,000 affordable houses in the National Capital Region.

Out of these, 3,000 units will be delivered by the end of 2018.

According to a news agency report, the group will be using 1 crore sqft of area in total for the

construction of nine projects and expects total investment of ₹3000 crore approximately

included under their magnanimous plan.

Each unit will be spread over a land of 660 sqft for 2BHK & 1000 sqft for 3BHK and will offer a new world-class living experience in Greater Noida and Ghaziabad at an attractive ticket size and price window starting from 15.99 lakh for 2BHK and 25.99 lakh for 3BHK. Located in the most preferred and upmarket destination of NCR, the project will enjoy the advantage of a prime locations.

Talking to the agency about the vision

plan, Yash Miglani, Managing Director, Migsun Group, said, "In today's time we see a considerable shift in lifestyle, choice of homes and sustainable community living. With our visionary plan for 2020 we aspire to provide affordable and comfort living to our buyers. It will raise the bar and set a new benchmark in residential projects.

"It gives me immense happiness to share the upcoming plan of Migsun

which will cater to the needs of

our customers and will

redefine lifestyle. It will

revolutionise the way

people live as it is going

to be the most

appropriate destination

for all your requirements. Standing true to our motto, dreams of many will turn into a reality with our 2020 plan."

Miglani further added that Migsun Group will soon start with the execution of its appealing plan in the very near future.

Migsun has a visionary plan to reinforce its commitment and promise of delivering affordable houses to its customers which will give new direction to the real estate fraternity, said the news agency.
